240	250	24	1	2	8	25

AD*= Maximum advised torque. We recommend working on 72% of the maximum values.

Material:

W1, W5

Third angle projection:

Part number:

DSB

Description:

MPC Industries Double Super Clamp

Revision:

Drawn by: Gyula

Creation date: 27-3-2014

Scale 1:1

Units: mm

Format:

A4
